

80 MEN REPORTED DEAD IN MINE DISASTER

POWDER EXPLOSION AT WILKESBARRE BRINGS DEATH TO ALMOST HUNDRED

TWO HUNDRED MEN ON WAY TO WORK THIS MORNING TRAPPED IN TUNNEL AND HALF THE NUMBER LOSE LIVES

CAR OF BLACK POWDER GOES UP

WILKES BARRE, June 5—Caught in the Baldwin tunnel of the Hudson Coal company mines here and with escape cut off by a huge sheet of flame that was drawn by suction into the tunnel about 80 men met death today. The men were enveloped by flames and then smothered to death. Forty-nine men were taken to various hospitals and at this hour about 11 are reported to be dying. The accident was due to a spark from a live wire igniting 7 kegs of powder that were just inside the tunnel. There was very little force and as a result only a few of the victims were mangled. The explosive was black powder and caused a terrific blaze and flames.

WILKES BARRE, June 5—More than 90 men were believed to have been killed and more than 60 injured today in an explosion in the Baldwin tunnel of the Delaware and Hudson Coal company near Wilkes Barre. Reports from the miners were that approximately 90 bodies had been removed from the tunnel. Several of the men at the hospital have died and others are not expected to live throughout the day. Every morgue in the city has been pressed into service and thousands of frantic women and children are rushing to the scene to learn whether their loved ones are among the killed.

Today's accident is the worst in the history of the anthracite region. Prior to this the Avondale disaster in which 108 men lost their lives was the worst.

The explosion was caused by a fire which ignited a car-load of black powder. There were 16 cars carrying 200 men into the tunnel when the explosion occurred. Most of the men died as the result of inhaling flames, some were blown to atoms and others drowned in a trench of water alongside the track.

Among the identified dead is Chuck Connors, a war hero, who returned from France a week ago. Another is John McCloskey, formerly pitching star for the New York National League club.

The accident occurred at 6:14 o'clock while the men were on their way to work. The explosion could be heard for miles around. If it had been a car of giant instead of black powder it would have blown away the greater part of the east end of this city.

By 7 o'clock thousands of persons had gathered at the head of the tunnel. As the dead were removed they were placed on the hillside. The scene resembled a battle ground. Mothers, wives and children rushed to the scene and many women fainted when they recovered their loved ones. Hurried calls were sent to every physician in the city and a stream of motor cars proceeded to the scene. Every coal company rushed ambulances and first aid crews to the tunnel. Many of the victims died immediately after reaching the surface. The foreman of the tunnel was riding on the fourth car which entered the mine and he escaped without injury.

COAST TO COAST FLYERS SCHEDULED TO PASS OVER CLEARFIELD AND GRAMPIAN

WASHINGTON, June 4—Within the next few days the army will attempt a one-stop transcontinental flight in a U. S. Martin bomber, and thus establish a record as the navy has by its transatlantic flight.

The power is supplied by two Liberty motors of 400-horsepower each, mounted in the wing gap on each side of the body. At the nose is the cockpit for the front gunner. The front gunner has access to a passage through which he can go aft to handle the rear lower gun or sit beside the pilot on a folding seat. The pilot is placed on the right-hand side of the body, and well up so that his range of vision is the best possible. The wing structure is very light. The designer was particular to observe the principles of stream line, rigidity and strength.

The under carriage is composed of four 800x150 mm wheels. The axles are hung on the usual rubber cord sus-

CLEARFIELD COUNTY ROADS TO BE BUILT

We had about given up all hope of having any State road built in Clearfield county this year, but are more than pleased to learn that the indefatigable efforts of President Leitzinger of the County Good Roads Association have borne fruit and that Clearfield county roads will be listed for advertisement next week.

Mr. Leitzinger was advised by wire from Harrisburg yesterday afternoon by Highway Commissioner Sadler that bids for the construction of the piece of road on Route 59 between Clearfield and Curwensville would be advertised next week and every effort made to have that stretch of road completed before the snow flies.

This will be good news to motorists generally as this three-mile stretch of road beginning near Hyde City and extending to the Curwensville borough line is admittedly the worst stretch between DuBois and Tyrone, on the direct State Route.

This road will be built entirely out of the State and National funds, with out the participation of either County Commissioners or the districts through which the road passes.

While Mr. Leitzinger's telegram did not so state, it is also quite likely that the other sections of the trunk line road between Osceola and DuBois will be advertised next week, as Commissioner Sadler's first program for this year included the piece out of DuBois and the two mile stretch near Dyer.

SOLDIERS RECEPTION TO BE ARRANGED

All patriotic Clearfielders interested in a proper welcome and homecoming reception to our returned service men, are urged to attend the town meeting to be held in the Arbitration Room of the Court House this evening at 8 o'clock.

The time for this county-wide affair has been fixed for Saturday, July 13th and while the preliminary work has already been started and much of the entertainment program will be taken care of by the Park Association there is yet lots to be done and every body's help will be needed on this occasion.

Every other community has arranged for a similar gathering and is now up to old Clearfield.

Turn out to the meeting and prepare to do your share.

BOY DROWNED NEAR DU BOIS

David McDonald, the seventeen year old son of Mr. and Mrs. William McDonald, Sandy Township, was drowned yesterday afternoon shortly after 2 o'clock in the dam that furnishes water for shaft No. 2. This marks the first drowning of the season and it takes from the community a young man who was very popular among his associates in the section in which he lived. Young McDonald, in company with some other youngsters, went to the dam shortly after 1 o'clock. Some of the boys could swim, but it is stated that McDonald was unable to. He was on a raft and was floating around on the surface, when in some manner the raft overturned, throwing him into the water. A companion named Robert Gray, was close to McDonald when he was thrown into the water. Young Gray made a valiant effort to save McDonald and himself was taken down twice before giving up the attempt to bring the drowning young man to shore.

LIGHT BILL PASSES

HARRISBURG, June 4—The senate bill requiring lights on all vehicles moving on highways at night except agricultural machinery and hay wagons has passed in the house 120 to 24, without debate. The bill has been a source of much discussion in previous sessions. The bill carries a penalty of \$2 to \$5 for violation.

CLEARFIELD HOSPITAL D. S. C. WINNER APPROPRIATION

HARRISBURG, June 5—Appropriation bills reported in house today, were, Clearfield hospital \$22,000; DuBois hospital, \$25,000; Elk County General, Ridgway, \$21,000; Punxsutawney, \$22,000; Adrian, Punxsutawney \$45,000.

WILL OPEN ROADHOUSE

Manager Barratt is arranging to open a roadhouse at Idora Park on the Woodland Road and will serve meals and lunches to motorists at all hours of the day or night. Ice cream and soft drinks are on tap now at all times and beginning Sunday next, regular meals will be given.

Buffet lunch will be served to the dancers this evening and will be available to travelers passing through at any time.

E. K. Merryfield, an experienced chef, has just returned from service with the Keystone Division in France will have charge of the new department.

COME AND GET YOUR HELMET

We still have a number of those German helmets at The Progress office for those who won them at the drawing. Please call and get yours at once, as we have hard work keeping "the devil" from kicking them about every morning when he sweeps out.

REDUCED FARE ADDS INTEREST

Visitors to Methodist Centenary To Be Well Cared For.

REGISTRATIONS ON INCREASE

Housing Committee of the Celebration Have More Than Forty Thousand Rooms In Privilege Homes at Their Disposal, Where Those Who Attend Can Be Lodged as Conveniently as at a Hotel.

Announcement by the government that a special low rate of one and a third fares for the round trip has been authorized for the celebration, Columbus, O., June 20 to July 13, has tremendously increased the interest in that event and advanced manifold the inquiries and registrations coming from all parts of the United States.

At headquarters the other day a single mail brought cash registrations from 14 separate states and South America.

The low rate has increased work for the special committees, which are responsible for housing the large influx of visitors now seen to be certain. Accommodations fall into three classes:

First, the hotels, which have an average daily capacity of 5,000 visitors.

The second field of accommodation will be in public buildings, which have been specially fitted up for this sort of service for the celebration. These include the State School for the Blind, the State School for the Deaf, the large barracks which were provided at Ohio State university for the student army training corps, and other buildings of a similar nature held in reserve should the throng exceed even present generous expectations.

The third line of convenience for the hospitality of Columbus is in the homes of the citizens themselves. More than 40,000 rooms have been listed with the housing committee, and these are card indexed by location, telephone number and best means of access. Visitors to the celebration can be lodged as conveniently as a clerk at a hotel assigns a visitor to his room. In order that there might be no misunderstanding, the committee in charge has a uniform rate for accommodations in private dwellings. The charge will be \$1 per day for a single person in a room and \$1.50 per day for two persons in a room.

Always generously provided with restaurants, Columbus at the present time is having its number largely reinforced by reason of many places being turned into restaurants which were occupied as cafes before May 24, when the state became dry.

In addition to these, extraordinary facilities for feeding large numbers quickly are being installed in the exposition grounds.

Yorks and his bride departed from the court room all smiles. While Mamma Bowser refused to be reconciled.

STOCKS OPEN STRONG

NEW YORK, June 5—The stock market opened strong. United States steel opened at 500 selling for 108 1-8 and 900 at 109 3-4 up 5-8 and 3-4, respectively. Mexican Petroleum at 192, up 3; Studebaker at 116 up 1-2; Central Leather at 108 1-2, up 1-2; United States Rubber at 114 1-2 up 1-4; Marine, at 47 7-8 up 5-8; and Crucible at 92 3-4, up 1-2.

"Y" TEAM LOSES AGAIN.

The "Y" team lost its fourth straight game to H. W. R. C. score: 11 to 6. The game was featured by errors. The "Y" team doesn't need to feel bad about losing four straight as Connie Mack's Athletics lost 26 straight last year.

D. S. C. WINNER ARRIVES HOME

Gunnery Sergeant Jack Barry of the 43d Co., of the Sixth U. S. Marines, arrived home yesterday and will spend the next four weeks at the home of his parents, Mr. and Mrs. John Barry, of Hillsdale.

Sergeant Barry was one of the first Clearfield boys to offer his services to his country when war with Germany was declared. In company with the late John P. Shade, the first Clearfield boy to fall on the battlefield, he enlisted in the Marine Corps the latter part of April 1917, and was with the first American troops sent to France.

He went through all the strenuous fighting the Second Division engaged in and escaped without a wound of any description, although he did get a whiff or two of gas.

He was awarded the Distinguished Service Cross of the American Army for exceptional coolness and bravery under fire at a critical period in the Belleau Wood fighting.

He is home on sick leave having been released from service with the Army of Occupation for hospital treatment, his health having become somewhat impaired during his strenuous experiences at the front.

COMMENCEMENT EXERCISES

Commencement exercises of the Curwensville High School will be held in the opera house at 8:15, Friday, June 6. Prof. C. D. Koch, deputy superintendent of public instruction of Harrisburg, will be present and deliver the address. Prof. Koch was principal of Curwensville schools in 1900.

The subject of his address is "Education in a Democracy." The speaker, the subject, and the exercises of the class of 1919 should insure a capacity house. General admission will be 25 cents, reserved seats 10 cents extra. Tickets on sale Friday morning at 8:00 a. m., at Leib's Drug Store.

HOUTZDALE-MADERA SURVEY UNDER WAY

State Highway Commissioner Sadler informed the County Commissioners Saturday last that Highway Department engineers would be sent into Clearfield county this week to make the preliminary survey on the road between Osceola and Madera.

The County Commissioners have already decided to build two miles of this road leading from Osceola to Houtzdale and another mile leading from Madera toward Houtzdale.

Bids for the construction of these two pieces will be advertised for, just as soon as the data can be prepared by the engineers.

HONEYMOON IS ON AGAIN

Joseph Yorks, the DuBois man, whose brief married life has been far from being "one grand sweet song" was released from jail by Judge Bell this morning following a habeas corpus hearing.

Attorney Pentz demonstrated that his client's case was simply one of "true love which failed to run smooth" and no harm intended whereupon District Attorney Arnold signified his willingness to agree to peace terms, until authentic records of the marriage could be procured from New York State.

Yorks and his bride departed from the court room all smiles. While Mamma Bowser refused to be reconciled.

WASHINGTON, June 4—The long

Washington, California, Kansas, Arizona, Oregon, Montana, Nevada, New York, Oklahoma, South Dakota, Michigan, Illinois, Nebraska, Rhode Island, North Dakota, Iowa, Wisconsin, Indiana, Maine, Minnesota, Missouri, Tennessee, Arkansas and Texas.

In the final debate on the suffrage resolution, Senator Reed of Missouri, occupied nearly three hours with an argument against the constitutionality of the proposed amendment. He declared it was an invasion of the right of the several states. Senator Wadsworth, of New York, also spoke against it, and Senator Thomas, of Colorado, for it.

HARRISBURG, June 5—Ratification of the national suffrage amendment will not be taken up at the present session of the Pennsylvania legislature unless the leaders who have been canvassed for the past two weeks by suffrage representatives change their decision. Leaders of the House and Senate are rushing thru all sorts of legislation in an effort to close business by June 23.

"HENRY" BROUGHT HIM ACROSS

Charley Bangert, of DuBois, transacted business in Clearfield today. Having retired from the newspaper business some time ago, he was able to come over the mountains "under his own power." Of course the all-popular Henry was the medium thru which he worked.

SERGEANT J. MITCHELL CHASE HOME

Sergeant J. Mitchell Chase, son of Burgess and Mrs. John M. Chase, who served with an American Air Squadron in France, arrived home on the 11:15 Pennsylvania train this morning, having been mustered out of the service a few days ago at Camp Mills, New York.

LOST—Five Dollar Bill

on Market street or in Leitzinger's or Leonardson's store. Reward for return to the Progress office.

PARIS, June 5—The Allied answer to the counter proposal

will be handed to the Germans before June 12 it was learned from authoritative sources today. The big four today heard Premier Paderewski regarding upper Silesia which some of the Allied delegates advise being retained by the Germans instead of being allotted to the Poles. The Premier also presented his version and assured that hostilities would cease in Poland and Ukraine.

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, June 5—The big four has decided to call in the Turkish peace delegates according to unofficial reports today. The exact date has not been fixed. From the same sources it was learned that the Turks will be considered merely as "witnesses" rather than fully accredited plenipotentiaries. This was accepted as meaning the Turks will be given practically no opportunity for discussion of the terms and will have to accept the conditions exactly as drawn up by the Allies. America's part in drawing up the Turkish treaty is expected to be largely of an advisory role.

ATLANTA TELEPHONE STRIKE MAY SPREAD THROUGHOUT COUNTRY SAYS KONEHKAMP

ATLANTA, GA., June 5—With the strike spreading to all ranks the Atlanta telephone and telegraph operators strike continued today. Mayor Keys, unsuccessful in his effort to bring the strike to a close, was considering calling President Wilson today to take the strike out of Postmaster Burroughs' hands.

President S. J. Konehkamp of the Telephone Union of America, today declared that unless the Atlanta strike is settled very quickly "the strike will invade all parts of the United States and Canada. Telephone and electrical workers in every section of the country are demanding that I sanction the strike they have voted and it will be hard to keep them at work much longer. I will give my decision within 72 hours" Konehkamp said.

TERMS OF SUBSCRIPTION
One Year \$4.00 Three Months \$1.00
Six Months \$2.00 One Month .25
All subscriptions not paid in advance are charged at forty cents a month.

Entered at Post Office at Clearfield, Pa., as second class matter.

The last piece of state aid paving done in Clearfield borough in which the county of Clearfield participated by paying one-fourth of the cost was away back in 1907. The Madera Times is having the State and County do some paying for us now, but we are unable to find just where the same is located.

A meeting of Clearfield citizens has been called by Burgess Chase for the Arbitration room of the Court House this evening at 8 o'clock. All who think a welcome or homecoming reception is due our valiant service men should be present at the meeting and thus show their willingness to aid the movement.

The awful roads between Clearfield and Curwensville will soon be a thing of the past, according to word received from State Highway Commissioner Sadler yesterday, who informed Good Roads President Leitzinger that bids for the connecting links on Routes 57 and 59 between Osceola and DuBois would be advertised for next week.

DuBois comes to the front with the first drowning of the 1919 season, yesterday. Why can't communities such as DuBois, Clearfield, Curwensville and other river towns provide funds sufficient to employ at least one competent person to superintend the "old swimmin' hole" and look after the kids when swimming. Surely the saving of even one life would more than compensate the public for the money expended. Why not make the start in Clearfield?

LET PENNSYLVANIA BE FIRST

The United States Senate passed the Woman's Suffrage Amendment yesterday and the question of extending the right of suffrage to the women of the land is now up to the legislatures of the different states. Pennsylvania is now in position to be the first state to ratify the Nineteenth Amendment. What a great distinction to be privileged to head the list in such a cause. Let Pennsylvania legislators rise to the occasion, introduce the ratifier and give "votes for women" their sanction at once. As the time for introducing bills has passed and unanimous consent will be necessary before such a bill could get before either House or Senate for consideration surely Senator Miller or Representatives Phillips, Pidgeon or Miller can be depended upon to make the move in this direction. What a credit to Clearfield county if this important measure would originate with one of our representatives at Harrisburg.

One of the Interesting Exhibits Shown at the Methodist Centenary Celebration

To prove that his soul is above worldly troubles and physical pain, this Hindu fakir nonchalantly reclines on a bed of spikes, much to the amazement of less spiritual observers. The bed of spikes will be one of the interesting exhibits shown at the Methodist Centenary Celebration, in Columbus, O., June 29 to July 12. Whether a fakir, Hindu or otherwise, can stand up to demonstration his power of endurance on it is still an unsettled question with celebration officials.

I'M OUT FOR COMMISSIONER

Last time I needed only 80 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th.

HARRY L. JONES,
Clearfield, Pa.

We are authorized to announce the name of James F. Dunn, of DuBois, as a candidate for the office of County Commissioner, subject to the action of the Democratic primary election. P. O. address, DuBois, Pa.

STATE POLICE BILL NOW BECOMES LAW

HARRISBURG, June 4—Governor Sprout has approved the bill reorganizing the state police department and immediate steps are being taken to recruit the fifth troop authorized by the measure, to be located at Harrisburg. The bill creates a bureau of fire protection to take over the state fire marshal's department and provides that the state police are to enforce the laws relative to game, fish and forestry. The measure creates a new troop of eighty-three men to be headed by a captain. The police will keep a state record of crimes and criminals to which all municipalities will report.

\$25,921,151,270 NATION'S DEBT —A NEW RECORD

WASHINGTON, June 3—The nation's public debt reached a new high mark of \$25,921,151,270 at the end of May, an increase of \$1,066,640,750 during the month. The increase resulted from new issues of certificates of indebtedness and payments on Victory Loan subscriptions.

Ordinary disbursements in May amounted to \$907,492,920, only slightly less than the \$1,068,203,020 in the same month last year.

AMERICA'S IMMORTALS

HENRY S. BOGAN,
Sergeant, 78th Co., Sixth Regiment, U. S. M. C.

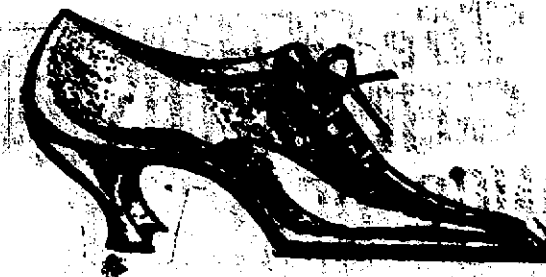

For extraordinary heroism in action near Blanc Mont, France, October 3, 1918, Sergt. Bogan was awarded a Bar, to be worn with the Distinguished Service Cross that had previously been awarded to him. During the attack on Blanc Mont, Sergt. Bogan, without aid, captured three machine gun nests, and, after being wounded took thirty prisoners. He himself escorted these prisoners to the rear rather than have the line weakened by taking men for his duty. His home is with his mother, Mrs. Sallie Bogan, Franklin, Ky.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 50c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress. The E. W. Ross Co., Cleveland, O.

Ford THE UNIVERSAL CAR

Ford cars are important servants everywhere. They help the family enjoy life, bring the pleasures and advantages of the town within reach of the farmer and give practical service every day in country and town. They require a minimum of attention; any one can run the Ford and care for it, but it is better to have repairs and replacements taken care of by those who are familiar with the work and have the tools, the genuine materials and skilled men to do the work promptly. We pledge Ford owners the reliable Ford service with real Ford parts and standard Ford prices.

WAR SAVINGS IDEA IS DESIRABLE AS PEACETIME HABIT

Activities of the War Savings Division of the Third Federal Reserve District will since the close of the Victory Liberty Loan, be resumed. A strenuous campaign will be waged in every section of the United States, for the placing of Thrift and War Savings stamps in the possession, by purchase of millions of our people, and in order to reach the allotment of two billion dollars, it will be absolutely necessary for every patriotic man, woman and child to invest to the limit of his or her ability without solicitation, in the VERY BEST INTEREST BEARING GOVERNMENT INVESTMENT—The War Savings Stamp.

There will be ready for sale and distribution purposes within a short time, certificates in denominations of \$100.00 and \$1000.00; these certificates representing War Savings Stamps, will be purchasable on the same basis and will be subject to the same terms and conditions as a single War Savings Stamp. Men and women, with funds for investment purposes, are respectfully requested to invest in these certificates in the denominations above indicated; those of lesser means should continue to purchase War Savings Stamps, and when card has twenty War Savings Stamps affixed thereto, it may be exchanged for a certificate having a maturity value of \$100 on January 1st, 1924.

The interest rate is 4 per cent, compounded quarterly.

The Third Federal Reserve District has been re-districted for War Savings purposes into groups. The counties of Cameron, Centre, Clearfield, Clinton, Elk, Lycoming, McKean, Montour, Northumberland, Potter, Tioga, and Union comprise Group No. 3 and of which W. Harrison Walker, of Bellefonte, Pa., has been appointed chairman. He will, during the remaining months of 1919, hold meetings in all of the counties of the group.

The second conference of county chairmen, district chairmen, superintendents of public schools and their assistants, of group No. 3 was held at the Central States Normal school, Lock Haven, Pa. on Friday May 23rd, 1919. At the morning chapel exercises the student body was addressed by Chairman Walker; a conference with the newly appointed county chairmen took place at 10 o'clock and at 3 o'clock, there was a general conference and matters relative to the War Savings division were fully and at length discussed, outlining plan for a successful and enthusiastic campaign to be waged in the Counties of Group No. 3.

Those present at these several conferences are as follows:

County Chairmen
C. M. Sullivan Clinton Co.
L. J. A. Lesser Elk Co.
John G. Reading Lycoming Co.
Henry J. Rice McKean Co.

An effort will be made to have all COUPONS promptly clipped from the several BOND ISSUES as they mature and the proceeds thereof immediately re-invested in War Savings and Thrift Stamps.

Let us resolve not only to teach "Thrift and Systematic Saving" but also purchase War Savings Stamps and War Savings Certificates to the full limit of our ability; let us resolve to be one of many who assisted in making possible a most successful campaign and in the raising by investing in these government securities, the allotment for every county in Group No. 3.

Hot Water the Best Liver and Bowel Medicine

Says Glass of Hot Water Before Breakfast Washes Poisons from System.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do. Men and women are urged to drink each morning before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the eliminative organs.

Those who wake up with bad breath coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to demonstrate the value of inside bathing. Those who continue it each morning are assured of pronounced results, both in regard to health and appearance.

Buy Tires of Known Quality

The steady usefulness of your car depends on good tires. Economy depends on good tires.

United States Tires are good tires. That's why we handle them. Take no chances with unknown quality. Buy United States Tires.

**You furnish the labor
We'll furnish the Rest**

You'll find it hard as nails to drive a better bargain. We've hammered down prices till not another cent can be pried from the tools, cement and and furnaces which we're now offering to those who contemplate building.

You'll do well to look these "imprishables" over for if you couldn't afford to build since "before the war" you will suddenly find that now you can.

W. F. POWELL

BOY SCOUTS

Conducted by National Council of the Boy Scouts of America

MESSAGE TO THE SCOUTS

Surely the world has been afire. The big principles at stake have brought out the very best thought and most effective efforts of those who have been fighting for the principles of democracy and humanity, says Chief Scout Executive James E. West.

Scouts certainly approached the Christmas season with joyous hearts. We must, however, bear in mind that the end is not yet. New responsibilities face the civilized world.

Our own country has been recognized as the leader in the development of a new understanding among men. It will take months, and indeed years, to work out the new order of things. The need of men of character to meet the responsibilities which we will have, both here and abroad, makes more important than ever before the scouting program.

Our motto is "Be Prepared." Your scout leaders will tell you much about this in the weeks and months to come. Let you and I, one and all, as members of the world brotherhood of scouts, make a part of our daily endeavors a rededication of ourselves to the principles for which scouting stands.

Let us make the scout oath and the scout law more vital in our daily lives and be prepared to do our share in meeting the responsibilities of today and tomorrow.

DELIVERED CHRISTMAS BASKETS

Scouts Found Plenty to Do During the Holiday Season.

GOOD SCOUTS MADE INDIANS.

At the official camp of the scouts in Delaware and Montgomery counties, Pennsylvania, the bunkhouse, holding eight boys, is planned similar to the wigan, or "big house," of the Unami Indians, who inhabited that section and which was used by the Indians for ceremonial purposes.

The openings at the top are smoke holes, the fires being built on stone altars, even with the floor. This makes a good council fire and does not throw out the heat like the fireplace.

At the close of the camp every year there is a ceremony held by Mah-pashana, a full-blooded Indian, at which the boys who win honors at camp are initiated as warriors into the Unami tribe by the old ceremony and with the Indian paraphernalia obtained from the tribe.

SCOUTS PROUD OF THEIR WORK.

The Boy Scouts of America have good reason to feel proud of the patriotic and helpful service they have rendered to the government in all of its wartime activities during the year.

Never before in the history of the scout movement have organized boys been able to demonstrate so thoroughly their helpfulness. The fourth Liberty loan has left behind it a broader and a more comprehensive vision of what scouting in its truest sense means to the growing boys of the community and to the nation at large.

Their efforts in gardening activities, as messengers of the president in the distribution of anti-German propaganda, as helpers to the Red Cross, as locators of black walnut, as gatherers of peach stones, as sellers of Thrift and War Savings stamps and Liberty bonds have demonstrated to the world at large the value of organized boyhood.

CREEL PRAISES BOY SCOUTS.

George Creel, chairman of the committee on public information, Washington, D. C., has written Chief Scout Executive James E. West as follows: "I have a very keen appreciation of the wonderful work that has been done by the Boy Scouts of America."

This means that the greatest country-wide distribution of printed matter ever undertaken involved the printing out of 15,000,000 copies of the president's flag day address and millions of other loyal pamphlets.

Earl Sunderland left today for Eastman Business College at Poughkeepsie, New York.

RAIL AND WIRE RATES UPHELD

U. S. Supreme Court Sweeps Aside Injunctions and Decrees of State Tribunals.

WASHINGTON, June 4.—Railroad freight and passenger rate increases made by the Railroad Administration last June and increased telephone and telegraph rates put into effect last January were upheld by the Supreme Court.

North Dakota Supreme Court decrees enjoining the Northern Pacific railroad and Director-General Hines from enforcing an order of the Railroad Administration increasing rates in that state were reversed.

The court also set aside lower court decrees which held that under section 15 of the Railroad Control act pre-existing intrastate rates remained in effect as lawful police regulations.

The court held that the authority conferred by the resolution and the act were war powers conferred on the President, and that the power of the Federal Government was "supreme and exclusive." The opinion on this point was unanimous.

The court held that under the joint resolution by which the wire systems were taken over by the Government there was authority for interfering with intrastate rates.

The court set aside South Dakota Supreme Court decrees enjoining the Dakota Central and three other telephone companies from increasing intrastate toll rates in compliance with the Postmaster-General's order.

Federal Court decrees permanently restraining the Postmaster General from charging increased telegraph rates in Illinois were dissolved by the court. Justice Brandeis gave the only dissenting opinion.

Massachusetts decrees dismissing the State public service injunction were affirmed and original proceedings brought by Kansas were dismissed.

AUTO LICENSE BILL PASSES

HARRISBURG, June 4.—The Ditch rich automobile measure, which creates standards of licensure, and which generally raises the license fees for both pleasure and commercial cars, was passed finally. The bill had been in the Governor's hands for some time but was recalled for purposes of amendment, the mistakes being typographical errors only.

SQUIRE WELTY INJURED

Squire S. B. Welty, of Rockton, is a patient in the DuBois hospital recuperating from injuries received by being struck on the neck by the end of a log while engaged on a small lumber job on Wednesday.

"Truthfully Pure"

MANY DOCTORS EXPECTED

ATLANTIC CITY, N. J. June 4.—Physicians from all North America, with many from European countries, are to invade this resort by the hundreds next week to attend the annual convention of the American Medical Association. Many eminent physicians will attend the sessions of the various sections of the association, participate in the discussions, and in consequence a week of notable scientific work is anticipated.

Special attention is to be paid by the convention to the problems in medicine and surgery developed by the war and to the notable achievements of the military "medics" during the long conflict. The sessions devoted to the discussion of these subjects will be participated in by distinguished visitors from Europe as well as the representatives of the United States Public Health Service and the medical corps of the United States army and navy.

PRINCE ALBERT

LAY your smoketaste flush up against a listening post—and you'll get the Prince Albert call, all right! NOTICE TO CLEARFIELDERS

It has been decided to give Clearfield county's returned service men a home-coming reception and welcome at the County Seat on Saturday, July 5th, next. Therefore, all patriotic citizens are urged to attend a town meeting to be held in the Arbitration Room of the Court House, Thursday evening, June 5th, at 8 o'clock, for the purpose of making the necessary arrangements for our part in such gathering.

Let this important matter have your attention and let there be a large attendance.

JOHN M. CHASE, Burgess.

\$52,500 FOR COTTAGE HOSPITAL—The Senate Appropriations Committee passed favorably upon an appropriation of \$52,500 for the Cottage State Hospital at Philipsburg.

DIRIGIBLE TO START SOON

British Select Atlantic City for Landing After Ocean Flight.

LONDON, June 4—Final preparations for the flight across the Atlantic of the British airship R-34 are being made at North Berwick, according to the Evening Star, and it is expected that the ship will leave next week.

A squad of skilled mechanics already has left England on the way to Atlantic City, where it is expected the ship will land.

WILL REPAIR STATE ROAD TO RIVERVIEW

County Road Supervisor Westcott is arranging to tar the State Road from the Clearfield Borough line to Riverview bridge and will therefore be obliged to close the road for traffic during the time the tar is being applied.

The road will be closed Wednesday, June 11th and remain closed until Sunday morning, June 15th. Travelers and motorists generally will be obliged to detour by way of Coal Hill in traveling between Clearfield and Curwensville.

Buy War Savings Stamps.

NEWS OF OUR NEIGHBORS CURWENSVILLE

Dr. Schlappi, who has been confined to his home several weeks by an attack of lumbago, was able to go to his office yesterday for the first time.

Miss Mary Wright, a nurse in the Maple Avenue Hospital, DuBois, who has been home for several weeks nursing a sore hand, returned to her duties today. It was feared that the injury would terminate in blood poisoning, but by extra care and the right treatment that treacherous ailment was avoided.

Miss Irene Sharp, a nurse in one of the Philadelphia hospitals, who has been visiting with relatives in this town for several days, is expected to return to the city and her duties, the latter part of the week.

Arthur Temple, who has been in the marine service for several years past, serving a second enlistment, is home on a visit to his wife and other relatives. He has seen service overseas and lately returned to this country.

Mrs. Herbert Sharp is enjoying a summer visit with relatives and friends in Pittsburgh.

A game of baseball is scheduled to come off at Athletic Park this afternoon between the Curwensville club and one from Clearfield. The game promises to be an interesting one.

According to records there are several cases of measles among the children over on Susquehanna avenue, South Side.

Nearly everybody who passed the residence of Dr. King yesterday stopped a few moments to watch the Doctor swing a scythe. Some of the old has-beens with that instrument expected every moment to see the Dr. cut both legs off, but after watching his movements several moments came to the conclusion that the Doctor was no novice with that instrument and had made the acquaintance of a scythe and the art of handling one years ago.

Parents should keep their boys from going to the dam to swim until they are old enough and proficient in the art of swimming to take care of themselves. Yesterday it came to our notice that a drowning accident was averted by the prompt action of some other and older boys. The young lad was entirely too small to be allowed to go to the river to swim. He got beyond his depth and went under two or three times when rescued. He was in the same hole in which young Griffith was drowned.

We had the good fortune the other day of meeting an old timer in the person of Mr. Darius Ritter, who is 90 years of age. He informed us that from 1840 until some time after the war he followed carpentering and built a number of the farm houses which are yet standing and almost as good as new. He also erected a number of barns which have stood the weather during all those years. Mr. Ritter has been a resident of this section all his life, with the exception of a few years spent in Michigan.

Mr. W. C. Wolf, of the firm of Wolf, Edmiston & Co., spent yesterday at Grampian, transacting business.

FIRE DEPARTMENT MEETING—Regular meeting Clearfield Fire department, Friday, June 6, at 8:00 p. m. in 3rd Ward Hall. All firemen please attend. A. P. SPANGLER, Secretary.

FORESTRY EXAM DATES

GIVEN OUT
Chances for Young Men to Learn Some Practical Conservation.

Examinations for entrance to the State Forest Academy at Mont Alto, will be held in Harrisburg Tuesday and Wednesday, June 24 and 25. All applicants will submit to a physical examination at the office of the Department of Forestry on the 24th. The examination in scholarship will be held in the city High school building on the 25th, and only those applicants will be admitted who have already passed the physical examination.

All applicants must be citizens of Pennsylvania, not over 26 years of age and not under 18. The examination in scholarship will include the ordinary high school branches, algebra, plane and solid geometry, arithmetic, English grammar and composition, physical geography, civics, government, physiology, history, reading, writing and spelling. An average grade of 75 per cent must be attained to pass. No specimen examination papers will be supplied.

Fifteen students who pass the examination with the highest standing will be assigned to foresters on State forests for two months of practical work in the woods. At the end of this period an additional test will be given. The ten men passing the test most satisfactorily will be admitted to the Forest Academy on September first.

GOODBY, WOMEN'S TROUBLES

The tortures and discomforts of weak, lame and aching back, swollen feet and limbs, weakness, dizziness, nausea, as a rule have their origin in kidney trouble, not "female complaints." These general symptoms of kidney and bladder disease are well known—so is the remedy.

Next time you feel a twinge of pain in the back or are troubled with headache, indigestion, insomnia, irritation in the bladder or pain in the loins and lower abdomen, you will find quick and sure relief in **GOLD MEDAL** Haelem Oil Capsules. This old and tried remedy for kidney trouble and allied derangements has stood the test for hundreds of years. It does the work. Pains and troubles vanish and new life and health will come as you continue their use. When completely restored to your usual vigor, continue taking a capsule or two each day.

GOLD MEDAL Haelem Oil Capsules are imported from the laboratories at Haelem, Holland. Do not accept a substitute. In sealed boxes, three sizes.

If Kidneys Act Bad Take Salts

Says Backache is Sign You Have
Been Eating too Much Meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sours, tongue is coated, and when the weather is bad, you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good reliable physician at once or get from your pharmacist about four ounces of Jad Salts take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia water drink.

Mr and Mrs. James Sutton have returned from a visit to East Brady, Pa., Mr. Sutton's old home, where they spent Memorial Day among relatives and their host of friends. Mr. Sutton's brother, Roert, also a Civil War veteran, is quite seriously ill at his home there.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for
a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quart pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents, massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

The Unchange- able Christ

By REV. W. W. KETCHUM
Director of the Evening Classes,
Moody Bible Institute, Chicago

TEXT—Jesus Christ the same yesterday, and today, and forever.—Heb. 13:8.

In the midst of all the vicissitudes and changes of life how blessed it is to know there is One who never changes! Friends may fall us, loved ones may forsake us, health may leave us, money may take wings and fly away, times and circumstances may change, we, even ourselves, be altered, but the Lord Jesus Christ is the unchanging and unchangeable One.

Our text tells us that what Jesus Christ was yesterday, he is today, and what he is today he will be forever; and what he will be forever he always has been. Let us take these three expressions concerning our Lord, which divide time up into past, present and future, and permit them to direct our thought concerning ourselves and the Lord Jesus Christ.

First, there is the yesterday of our lives. That covers all the past up to the present moment. Looking back over it, it seems almost infinite in its reach, and yet we are told that the longest life is after all only as the span of a man's hand, as a vapor that passeth away, or as a tale that is told. But what a sweep the yesterday of our life seems to have, as we think of it. So much has happened, and so much in it has been imperfect and unsatisfactory, and let us speak it frankly, sinful. Now it is behind us, and, so far as we have any power over it, it is unalterable. We cannot change it if we would, neither can we undo it, nor wipe it out. What we have been and what we have done in the yesterday of our lives is unalterable, and we are absolutely helpless, of ourselves, concerning it.

It is right here that the Lord Jesus Christ is ready to come in, if we will only let him, and save us from the sins of our yesterday. What we cannot do he is able and willing to do for us. These three expressions of time concerning Jesus Christ are the three tenses of salvation which he provides those who trust him. He saves them from their past sins. No matter how vile or sinful a life may have been, he has made ample provision by his death on the cross for the yesterday of that life that accepts him as Saviour. "In whom we have redemption through his blood, the forgiveness of sins."

Second, there is the today of our lives. That is, the eternal now of life that we call the present. Life is not simply a past record that needs straightening out; it is a present thing that has to be lived, and every moment, as it comes, is the now of life. Even with the past cared for by Christ, we constantly face the present with its problems, difficulties and temptations. Having lived in the past, we know that unless there be given us some power in the present not found in ourselves we shall not be able to live so that when the present becomes the past it shall not be as the deplorable yesterday.

Thank God, the One who is willing and able to deliver us from the yesterday of our lives is just as willing and able to deliver us today. Now, this very moment, "He ever liveth to make intercession for us." The apostle puts it clearly when he says (Romans 5:10): "For if when we were enemies we were reconciled to God by the death of his Son, much more being reconciled we shall be saved by his life." What life? Not his past life of thirty-three years on earth, but by his present life, communicated to those who become united to him by faith, so that he hurls to them his own life, and thus saves them from their sins. This is the present tense of salvation which Christ provides those who trust him.

Third, there is the eternity of our lives. That is the period when time for us is no more. Life on earth has been finished, and we have entered upon the ages of the ages. What then? Who will be our Saviour? Is there one able to save us in the future? Yes, thank God, the very One who, if we have made him by faith our Saviour, has saved us from our yesterday, and is saving us today, will be our Saviour forever. This is the future tense of salvation, for Christ is the unchangeable One who "is able to save to the uttermost all who come unto God by him." This blessed fact is plainly stated by the apostle: "Much more then, being now justified by his blood, we shall be saved from wrath through him." We thank thee that thou art unchangeable, O Christ, the same yesterday, today and forever our Saviour.

Christian Promises.

When Jesus Christ says that he has overcome the world he means that his conquest is the pledge of ours. If he had failed, we could not have succeeded. It is because he has succeeded that we cannot fail. These are Christian promises; these are Christian delights; these are the joys of the sanctuary.—Joseph Parker.

Misses Mary and Reta O'Brien of Osceola, are the guests of Miss Genevieve McGee on 5th street.

"YOUR BODYGUARD"—30c, 60c, \$1.20

LEONARDSON'S—THE QUALITY STORE

A Great Mid-Summer Sale of High Grade Trimmed Hats at \$2.95, \$3.95 and \$4.95

Regular \$6 to \$15 values

There are hats of fine lisere, braid, Japanese braid, genuine Milan hemp, Chinese straw, and many, many others. There are small snug-fitting hats, sailors and rolling brim effects. In fact, every style that is fashionable is included here.

Hats for the vacation trip or the next two months of summer hat-wearing. Extraordinary values, so we urge you not to let this opportunity slip by.

Our Entire Stock of Suits at Greatly Reduced Prices

Here is an opportunity to save from \$5.00 to \$10.00 on a new spring suit. The models are this season's fashionable styles.

\$25.00 to \$29.75 Suits Reduced to	\$17.50
\$35.00 to \$39.75 Suits Reduced to	\$25.00
\$45.00 to \$49.75 Suits Reduced to	\$35.00
\$55.00 to \$65.00 Suits Reduced to	\$45.00

All Coats, Capes and Dol- mans Reduced

\$15.00 to \$16.50 Values reduced to	\$12.50
\$19.75 Values reduced to	\$14.75
\$25.00 to \$29.75 Values reduced to	\$19.75
\$35.00 to \$39.75 Values reduced to	\$27.50
\$45.00 to \$49.75 Values reduced to	\$35.00
\$55.00 to \$65.00 Values reduced to	\$47.50

A Very Special Sale of Voile Dresses, at \$9.75

We might as well call this an "Economy Sale" because the dresses represent the best styles of the season, and this applies also to the trimmings as well as the materials. The price represents one of the biggest values this store has offered for the past several months. The dresses are new and in demand for immediate wear.

Women's Summer Wash Dresses at \$6.50 to \$27.50

Every one of them fashioned in the modes approved by style authorities. A woman feels that she should have a few such frocks because she would not want to wear a heavy dress during these hot summery days when such desirable wash dresses can be had at such low costs. They take a tubbing splendidly. Made of various materials such as voile, gingham, and various colors and designs. There is a style here to please every woman's preference.

A. W. LEONARDSON CO.

80 MEN REPORTED DEAD IN MINE DISASTER

POWDER EXPLOSION AT WILKESBARRE BRINGS DEATH TO ALMOST HUNDRED

TWO HUNDRED MEN ON WAY TO WORK THIS MORNING TRAPPED IN TUNNEL AND HALF THE NUMBER LOSE LIVES

CAR OF BLACK POWDER GOES UP

WILKES BARRE, June 5—Caught in the Baldwin tunnel of the Hudson Coal company mines here and with escape cut off by a huge sheet of flame that was drawn by suction into the tunnel about 80 men met death today. The men were enveloped by flames and then smothered to death. Forty-nine men were taken to various hospitals and at this hour about 11 are reported to be dying. The accident was due to a spark from a live wire igniting 7 kegs of powder that were just inside the tunnel. There was very little force and as a result only a few of the victims were mangled. The explosive was black powder and caused a terrific blaze and flames.

WILKES BARRE, June 5—More than 90 men were believed to have been killed and more than 60 injured today in an explosion in the Baldwin tunnel of the Delaware and Hudson Coal company near Wilkes Barre. Reports from the miners were that approximately 90 bodies had been removed from the tunnel. Several of the men at the hospital have died and others are not expected to live throughout the day. Every morgue in the city has been pressed into service and thousands of frantic women and children are rushing to the scene to learn whether their loved ones are among the killed.

Today's accident is the worst in the history of the anthracite region. Prior to this the Avondale disaster in which 108 men lost their lives was the worst.

The explosion was caused by a fire which ignited a car-load of black powder. There were 16 cars carrying 200 men into the tunnel when the explosion occurred. Most of the men died as the result of inhaling flames, some were blown to atoms and others drowned in a trench of water alongside the track.

Among the identified dead is Chuck Connors, a war hero, who returned from France a week ago. Another is John McCloskey, formerly pitching star for the New York National League club.

The accident occurred at 6:14 o'clock while the men were on their way to work. The explosion could be heard for miles around. If it had been a car of giant instead of black powder it would have blown away the greater part of the east end of this city.

By 7 o'clock thousands of persons had gathered at the head of the tunnel. As the dead were removed they were placed on the hillside. The scene resembled a battle ground. Mothers, wives and children rushed to the scene and many women fainted when they recovered their loved ones. Hurried calls were sent to every physician in the city and a stream of motor cars proceeded to the scene. Every coal company rushed ambulances and first aid crews to the tunnel. Many of the victims died immediately after reaching the surface. The foreman of the tunnel was riding on the fourth car which entered the mine and he escaped without injury.

COAST TO COAST FLYERS SCHEDULED TO PASS OVER CLEARFIELD AND GRAMPIAN

WASHINGTON, June 4—Within the next few days the army will attempt a one-stop transcontinental flight in a U. S. Martin bomber, and thus establish a record as the navy has by its transatlantic flight.

The power is supplied by two Liberty motors of 400-horsepower each, mounted in the wing gap on each side of the body. At the nose is the cockpit for the front gunner. The front gunner has access to a passage through which he can go aft to handle the rear lower gun or sit beside the pilot on a folding seat. The pilot is placed on the right-hand side of the body, and well up so that his range of vision is the best possible. The wing structure is very light. The designer was particular to observe the principles of stream line, rigidity and strength.

The under carriage is composed of four 800x150 mm wheels. The axles are hung on the usual rubber cord sus-

CLEARFIELD COUNTY ROADS TO BE BUILT

We had about given up all hope of having any State road built in Clearfield county this year, but are more than pleased to learn that the indefatigable efforts of President Leitzinger of the County Good Roads Association have borne fruit and that Clearfield county roads will be listed for advertisement next week.

Mr. Leitzinger was advised by wire from Harrisburg yesterday afternoon by Highway Commissioner Sadler that bids for the construction of the piece of road on Route 59 between Clearfield and Curwensville would be advertised next week and every effort made to have that stretch of road completed before the snow flies.

This will be good news to motorists generally as this three-mile stretch of road beginning near Hyde City and extending to the Curwensville borough line is admittedly the worst stretch between DuBois and Tyrone, on the direct State Route.

This road will be built entirely out of the State and National funds, with out the participation of either County Commissioners or the districts through which the road passes.

While Mr. Leitzinger's telegram did not so state, it is also quite likely that the other sections of the trunk line road between Osceola and DuBois will be advertised next week, as Commissioner Sadler's first program for this year included the piece out of DuBois and the two mile stretch near Dyer.

SOLDIERS RECEPTION TO BE ARRANGED

All patriotic Clearfielders interested in a proper welcome and homecoming reception to our returned service men, are urged to attend the town meeting to be held in the Arbitration Room of the Court House this evening at 8 o'clock.

The time for this county-wide affair has been fixed for Saturday, July 13th and while the preliminary work has already been started and much of the entertainment program will be taken care of by the Park Association there is yet lots to be done and every body's help will be needed on this occasion.

Every other community has arranged for a similar gathering and is now up to old Clearfield.

Turn out to the meeting and prepare to do your share.

BOY DROWNED NEAR DU BOIS

David McDonald, the seventeen year old son of Mr. and Mrs. William McDonald, Sandy Township, was drowned yesterday afternoon shortly after 2 o'clock in the dam that furnishes water for shaft No. 2. This marks the first drowning of the season and it takes from the community a young man who was very popular among his associates in the section in which he lived. Young McDonald, in company with some other youngsters, went to the dam shortly after 1 o'clock. Some of the boys could swim, but it is stated that McDonald was unable to. He was on a raft and was floating around on the surface, when in some manner the raft overturned, throwing him into the water. A companion named Robert Gray, was close to McDonald when he was thrown into the water. Young Gray made a valiant effort to save McDonald and himself was taken down twice before giving up the attempt to bring the drowning young man to shore.

LIGHT BILL PASSES

HARRISBURG, June 4—The senate bill requiring lights on all vehicles moving on highways at night except agricultural machinery and hay wagons has passed in the house 120 to 24, without debate. The bill has been a source of much discussion in previous sessions. The bill carries a penalty of \$2 to \$5 for violation.

CLEARFIELD HOSPITAL D. S. C. WINNER ARRIVES HOME

HARRISBURG, June 5—Appropriation bills reported in house today, were, Clearfield hospital \$22,000; DuBois hospital, \$25,000; Elk County General, Ridgway, \$21,000; Punxsutawney, \$22,000; Adrian, Punxsutawney \$45,000.

WILL OPEN ROADHOUSE

Manager Barratt is arranging to open a roadhouse at Idora Park on the Woodland Road and will serve meals and lunches to motorists at all hours of the day or night. Ice cream and soft drinks are on tap now at all times and beginning Sunday next, regular meals will be given.

Buffet lunch will be served to the dancers this evening and will be available to travelers passing through at any time.

E. K. Merryfield, an experienced chef, has just returned from service with the Keystone Division in France will have charge of the new department.

COME AND GET YOUR HELMET

We still have a number of those German helmets at The Progress office for those who won them at the drawing. Please call and get yours at once, as we have hard work keeping "the devil" from kicking them about every morning when he sweeps out.

REDUCED FARE ADDS INTEREST

Visitors to Methodist Centenary to Be Well Cared For.

REGISTRATIONS ON INCREASE

Housing Committee of the Celebration Have More Than Forty Thousand Rooms in Privilege Homes at Their Disposal, Where Those Who Attend Can Be Lodged as Conveniently as at a Hotel.

Announcement by the government that a special low rate of one and a third fares for the round trip has been authorized for the celebration, Columbus, O., June 20 to July 13, has tremendously increased the interest in that event and advanced manifold the inquiries and registrations coming from all parts of the United States. At headquarters the other day a single mail brought cash registrations from 14 separate states and South America.

The low rate has increased work for the special committees, which are responsible for housing the large influx of visitors now seen to be certain. Accommodations fall into three classes:

First, the hotels, which have an average daily capacity of 5,000 visitors.

The second field of accommodation will be in public buildings, which have been specially fitted up for this sort of service for the celebration. These include the State School for the Blind, the State School for the Deaf, the large barracks which were provided at Ohio State university for the student army training corps, and other buildings of a similar nature held in reserve should the throng exceed even present generous expectations.

The third line of convenience for the hospitality of Columbus is in the homes of the citizens themselves. More than 40,000 rooms have been listed with the housing committee, and these are card indexed by location, telephone number and best means of access. Visitors to the celebration can be lodged as conveniently as a clerk at a hotel assigns a visitor to his room. In order that there might be no misunderstanding, the committee in charge has a uniform rate for accommodations in private dwellings. The charge will be \$1 per day for a single person in a room and \$1.50 per day for two persons in a room.

Always generously provided with restaurants, Columbus at the present time is having its number largely reinforced by reason of many places being turned into restaurants which were occupied as cafes before May 24, when the state became dry. In addition to these, extraordinary facilities for feeding large numbers quickly are being installed in the exposition grounds.

D. S. C. WINNER ARRIVES HOME

Gunnery Sergeant Jack Barry of the 43d Co., of the Sixth U. S. Marines, arrived home yesterday and will spend the next four weeks at the home of his parents, Mr. and Mrs. John Barry, of Hillsdale.

Sergeant Barry was one of the first Clearfield boys to offer his services to his country when war with Germany was declared. In company with the late John P. Shade, the first Clearfield boy to fall on the battlefield, he enlisted in the Marine Corps the latter part of April 1917, and was with the first American troops sent to France.

He went through all the strenuous fighting the Second Division engaged in and escaped without a wound of any description, although he did get a whiff or two of gas.

He was awarded the Distinguished Service Cross of the American Army for exceptional coolness and bravery under fire at a critical period in the Belleau Wood fighting.

He is home on sick leave having been released from service with the Army of Occupation for hospital treatment, his health having become somewhat impaired during his strenuous experiences at the front.

COMMENCEMENT EXERCISES

Commencement exercises of the Curwensville High School will be held in the opera house at 8:15, Friday, June 6. Prof. C. D. Koch, deputy superintendent of public instruction of Harrisburg, will be present and deliver the address. Prof. Koch was principal of Curwensville schools in 1900. The subject of his address is "Education in a Democracy." The speaker, the subject, and the exercises of the class of 1919 should insure a capacity house. General admission will be 25 cents, reserved seats 10 cents extra. Tickets on sale Friday morning at 8:00 a. m., at Leib's Drug Store.

HOUTZDALE-MADERA SURVEY UNDER WAY

State Highway Commissioner Sadler informed the County Commissioners Saturday last that Highway Department engineers would be sent into Clearfield county this week to make the preliminary survey on the road between Osceola and Madera.

The County Commissioners have already decided to build two miles of this road leading from Osceola to Houtzdale and another mile leading from Madera toward Houtzdale.

Bids for the construction of these two pieces will be advertised for, just as soon as the data can be prepared by the engineers.

HONEYMOON IS ON AGAIN

Joseph Yerks, the DuBois man, whose brief married life has been far from being "one grand sweet song" was released from jail by Judge Bell this morning following a habeas corpus hearing.

Attorney Pentz demonstrated that his client's case was simply one of "true love which failed to run smooth" and no harm intended whereupon District Attorney Arnold signified his willingness to agree to peace terms, until authentic records of the marriage could be procured from New York State.

Yerks and his bride departed from the court room all smiles. While Mamma Bowser refused to be reconciled.

STOCKS OPEN STRONG

NEW YORK, June 5—The stock market opened strong. United States steel opened at 500 selling for 108 1-8 and 900 at 109 3-4 up 5-8 and 3-4, respectively. Mexican Petroleum at 192, up 3; Studebaker at 116 up 1-2; Central Leather at 108 1-2, up 1-2; United States Rubber at 114 1-2 up 1-4; Marine, at 47 7-8 up 5-8; and Crucible at 92 3-4, up 1-2.

"Y" TEAM LOSES AGAIN

The "Y" team lost its fourth straight game to H. W. R. C. score 11 to 6. The game was featured by errors. The "Y" team doesn't need to feel bad about losing four straights as Connie Mack's Athletics lost 26 straights last year.

COUNTER PROPOSAL REPLY READY BY JUNE 12TH

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, June 5—The Allied answer to the counter proposal will be handed to the Germans before June 12 it was learned from authoritative sources today. The big four today heard Premier Paderewski regarding upper Silesia which some of the Allied delegates advise being retained by the Germans instead of being allotted to the Poles. The Premier also presented his version and assured that hostilities would cease in Poland and Ukraine.

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, June 5—The big four has decided to call in the Turkish peace delegates according to unofficial reports today. The exact date has not been fixed. From the same sources it was learned that the Turks will be considered merely as "witnesses" rather than fully accredited plenipotentiaries. This was accepted as meaning the Turks will be given practically no opportunity for discussion of the terms and will have to accept the conditions exactly as drawn up by the Allies. America's part in drawing up the Turkish treaty is expected to be largely of an advisory role.

ATLANTA TELEPHONE STRIKE MAY SPREAD THROUGHOUT COUNTRY SAYS KONEHKAMP

ATLANTA, GA., June 5—With the strike spreading to all ranks the Atlanta telephone and telegraph operators strike continued today. Mayor Keys, unsuccessful in his effort to bring the strike to a close, was considering calling President Wilson today to take the strike out of Postmaster Burroughs' hands.

President S. J. Konehkamp of the Telephone Union of America, today declared that unless the Atlanta strike is settled very quickly "the strike will invade all parts of the United States and Canada. Telephone and electrical workers in every section of the country are demanding that I sanction the strike they have voted and it will be hard to keep them at work much longer. I will give my decision within 72 hours" Konehkamp said.

U. S. SENATE PASSES WOMAN SUFFRAGE AMENDMENT BY VOTE OF 56 TO 25

WASHINGTON, June 4—The long Washington, California, Kansas, Arizona, Oregon, Montana, Nevada, New York, Oklahoma, South Dakota, Michigan, Illinois, Nebraska, Rhode Island, North Dakota, Iowa, Wisconsin, Indiana, Maine, Minnesota, Missouri, Tennessee, Arkansas and Texas.

In the final debate on the suffrage resolution, Senator Reed of Missouri, occupied nearly three hours with an argument against the constitutionality of the proposed amendment. He declared it was an invasion of the right of the several states. Senator Wadsworth, of New York, also spoke against it, and Senator Thomas, of Colorado, for it.

HARRISBURG, June 5—Ratification of the national suffrage amendment will not be taken up at the present session of the Pennsylvania legislature unless the leaders who have been canvassed for the past two weeks by suffrage representatives change their decision. Leaders of the House and Senate are rushing thru all sorts of legislation in an effort to close business by June 23.

"HENRY" BROUGHT HIM ACROSS

Charley Bangert, of DuBois, transacted business in Clearfield today. Having retired from the newspaper business some time ago, he was able to come over the mountains "under his own power." Of course the all-popular Henry was the medium through which he worked.

SERGEANT J. MITCHELL CHASE HOME

Sergeant J. Mitchell Chase, son of Burgess and Mrs. John M. Chase, who served with an American Air Squadron in France, arrived home on the 11:15 Pennsylvania train this morning, having been mustered out of the service a few days ago at Camp Mills, New York.

LOST—Five Dollar Bill somewhere

TERMS OF SUBSCRIPTION

One Year \$4.00 Three Months \$1.00
Six Months \$2.00 One Month40
All subscriptions not paid in advance are charged at forty cents a month.

Entered at Post Office at Clearfield, Pa., as second class matter.

The last piece of state aid paving done in Clearfield borough in which the county of Clearfield participated by paying one-fourth of the cost was away back in 1907. The Madera Times is having the State and County do some paying for us now, but we are unable to find just where the same is located.

A meeting of Clearfield citizens has been called by Burgess Chase for the Arbitration room of the Court House this evening at 8 o'clock. All who think a welcome or homecoming reception is due our valiant service men should be present at the meeting and thus show their willingness to aid the movement.

The awful roads between Clearfield and Curwensville will soon be a thing of the past, according to word received from State Highway Commissioner Sadler yesterday, who informed Good Roads President Leitzinger that bids for the connecting links on Routes 57 and 59 between Osceola and DuBois would be advertised for next week.

DuBois comes to the front with the first drowning of the 1919 season, yesterday. Why can't communities such as DuBois, Clearfield, Curwensville and other river towns provide funds sufficient to employ at least one competent person to superintend the "old swimmin' hole" and look after the kids when swimming. Surely the saving of even one life would more than compensate the public for the money expended. Why not make the start in Clearfield?

LET PENNSYLVANIA BE FIRST

The United States Senate passed the Woman's Suffrage Amendment yesterday and the question of extending the right of suffrage to the women of the land is now up to the legislatures of the different states. Pennsylvania is now in position to be the first state to ratify the Nineteenth Amendment. What a great distinction to be privileged to head the list in such a cause. Let Pennsylvania legislators rise to the occasion, introduce the ratifier and give "votes for women" their sanction at once. As the time for introducing bills has passed and unanimous consent will be necessary before such a bill could get before either House or Senate for consideration surely Senator Miller or Representatives Phillips, Pidgeon or Miller can be depended upon to make the move in this direction. What a credit to Clearfield county if this important measure would originate with one of our representatives at Harrisburg.

One of the Interesting Exhibits Shown at the Methodist Centenary Celebration

To prove that his soul is above worldly troubles and physical pain, this Hindu fakir nonchalantly reclines on a bed of spikes, much to the amazement of less spiritual observers. The bed of spikes will be one of the interesting exhibits shown at the Methodist Centenary Celebration, in Columbus, O., June 29 to July 12. Whether a fakir, Hindu or otherwise, can be found to demonstrate his power of endurance on it is still an unsettled question with celebration officials.

I'M OUT FOR COMMISSIONER

Last time I needed only 80 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th.

HARRY L. JONES,
Clearfield, Pa.

We are authorized to announce the name of James F. Dunn, of DuBois, as a candidate for the office of County Commissioner, subject to the action of the Democratic primary election. P. O. address, DuBois, Pa.

STATE POLICE BILL NOW BECOMES LAW

HARRISBURG, June 4—Governor Sprout has approved the bill reorganizing the state police department and immediate steps are being taken to recruit the fifth troop authorized by the measure, to be located at Harrisburg. The bill creates a bureau of fire protection to take over the state fire marshal's department and provides that the state police are to enforce the laws relative to game, fish and forestry. The measure creates a new troop of eighty-three men to be headed by a captain. The police will keep a state record of crimes and criminals to which all municipalities will report.

\$25,921,151,270 NATION'S DEBT —A NEW RECORD

WASHINGTON, June 3—The nation's public debt reached a new high mark of \$25,921,151,270 at the end of May, an increase of \$1,096,640,750 during the month. The increase resulted from new issues of certificates of indebtedness and payments on Victory Loan subscriptions.

Ordinary disbursements in May amounted to \$907,492,920, only slightly less than the \$1,068,203,020 in the same month last year.

AMERICA'S IMMORTALS

HENRY S. BOGAN,
Sergeant, 78th Co., Sixth Regiment, U. S. M. C.

For extraordinary heroism in action near Blanc Mont, France, October 3, 1918, Sergt. Bogan was awarded a Bar, to be worn with the Distinguished Service Cross that had previously been awarded to him. During the attack on Blanc Mont, Sergt. Bogan, without aid, captured three machine gun nests, and, after being wounded took thirty prisoners. He himself escorted these prisoners to the rear rather than have the line weakened by taking men for his duty. His home is with his mother, Mrs. Sallie Bogan, Franklin, Ky.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases. Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress. The E. W. Ross Co., Cleveland, O.

Ford THE UNIVERSAL CAR

Ford cars are important servants everywhere. They help the family enjoy life, bring the pleasures and advantages of the town within reach of the farmer and give practical service every day in country and town. They require a minimum of attention; any one can run the Ford and care for it, but it is better to have repairs and replacements taken care of by those who are familiar with the work and have the tools, the genuine materials and skilled men to do the work promptly. We pledge Ford owners the reliable Ford service with real Ford parts and standard Ford prices.

WAR SAVINGS IDEA IS DESIRABLE AS PEACETIME HABIT

Activities of the War Savings Division of the Third Federal Reserve District will since the close of the Victory Liberty Loan, be resumed. A strenuous campaign will be waged in every section of the United States for the placing of Thrift and War Savings stamps in the possession, by purchase of millions of our people, and in order to reach the allotment of two billion dollars, it will be absolutely necessary for every patriotic man, woman and child to invest to the limit of his or her ability without solicitation, in the VERY BEST INTEREST BEARING GOVERNMENT INVESTMENT—The War Savings Stamp.

There will be ready for sale and distribution purposes within a short time, certificates in denominations of \$100.00 and \$1000.00; these certificates representing War Savings Stamps, will be purchasable on the same basis and will be subject to the same terms and conditions as a single War Savings Stamp. Men and women, with funds for investment purposes, are respectfully requested to invest in these certificates in the denominations above indicated; those of lesser means should continue to purchase War Savings Stamps, and when card has twenty War Savings Stamps affixed thereto, it may be exchanged for a certificate having a maturity value of \$100 on January 1st, 1924.

The interest rate is 4 per cent, compounded quarterly.

The Third Federal Reserve District has been re-districted for War Savings purposes into groups. The counties of Cameron, Centre, Clearfield, Clinton, Elk, Lycoming, McKean, Montour, Northumberland, Potter, Tioga, and Union comprise Group No. 3 and of which W. Harrison Walker, of Bellefonte, Pa., has been appointed chairman. He will, during the remaining months of 1919, hold meetings in all of the counties of the group.

The second conference of county chairmen, district chairmen, superintendents of public schools and their assistants, of group No. 3 was held at the Central States Normal school, Lock Haven, Pa. on Friday May 23rd, 1919. At the morning chapel exercises the student body was addressed by Chairman Walker; a conference with the newly appointed county chairmen took place at 10 o'clock and at 3 o'clock, there was a general conference and matters relative to the War Savings division were fully and at length discussed, outlining plans for a successful and enthusiastic campaign to be waged in the Counties of Group No. 3.

Those present at these several conferences are as follows:

County Chairmen
C. M. Sullivan Clinton Co.
L. J. A. Lesser Elk Co.
John G. Reading Lycoming Co.
Henry J. Rice McKean Co.
Thomas G. Vincent Montour Co.

A. P. Akeley Potter Co.
M. F. Jones Tioga Co.

Assistant Supts. of Schools
C. B. Wilson Clearfield Co.
Bert S. Taylor McKean Co.
George L. Swank Northumberland Co.
P. H. Conner Potter Co.
City Superintendents of Schools
F. W. Robbins Williamsport
G. W. Hunt Lock Haven
I. A. Shaffer Chairman of War Savings for Clinton county, during 1918 was also present, and volunteered to assist in every possible way in order that success might be assured to the Counties of Group No. 3.

From the Rating Sheets sent out by the Third Federal Reserve District, covering the period from January 1st, 1919, to May 17th, 1919, it may be of interest to note the standing of the Counties of Group No. 3, as compared with other sections of the District:

Column No. 1 name of County.	Column No. 2 per capita.	Column No. 3 rating of each county as compared with other counties in the eastern district of Pennsylvania.
Union	\$3.91	1
Centre	1.48	2
Clinton	1.14	3
Elk	.99	4
Cameron	.87	5
Lycoming	.77	12
Tioga	.68	1b

Montour	.50	25
Potter	.54	24
Northumberland	.49	29
Clearfield	.31	45

Per capita Group No. 3 \$1.04
Per capita E. Dist. of Pa. .52
Per capita Sd. New Jersey .44
Per capita Delaware .20
Per capita United States 1.04

An effort will be made to have all COUPONS promptly clipped from the several BOND ISSUES as they mature and the proceeds thereof immediately re-invested in War Savings and Thrift Stamps.

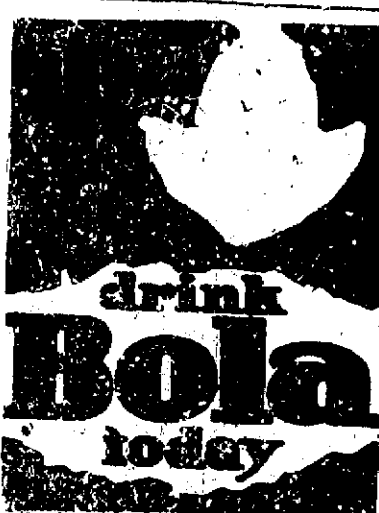

Let us resolve not only to teach "Thrift and Systematic Saving" but also purchase War Savings Stamps and War Savings Certificates to the full limit of our ability; let us resolve to be one of many who assisted in making possible a most successful campaign and in the raising by investing in these government securities, the allotment for every county in Group No. 3.

W. HARRISON WALKER,
Chairman Group No. 3,
War Savings Division.

Bellefonte, Pa.

May 26th, 1919.

I saw it in The Progress.

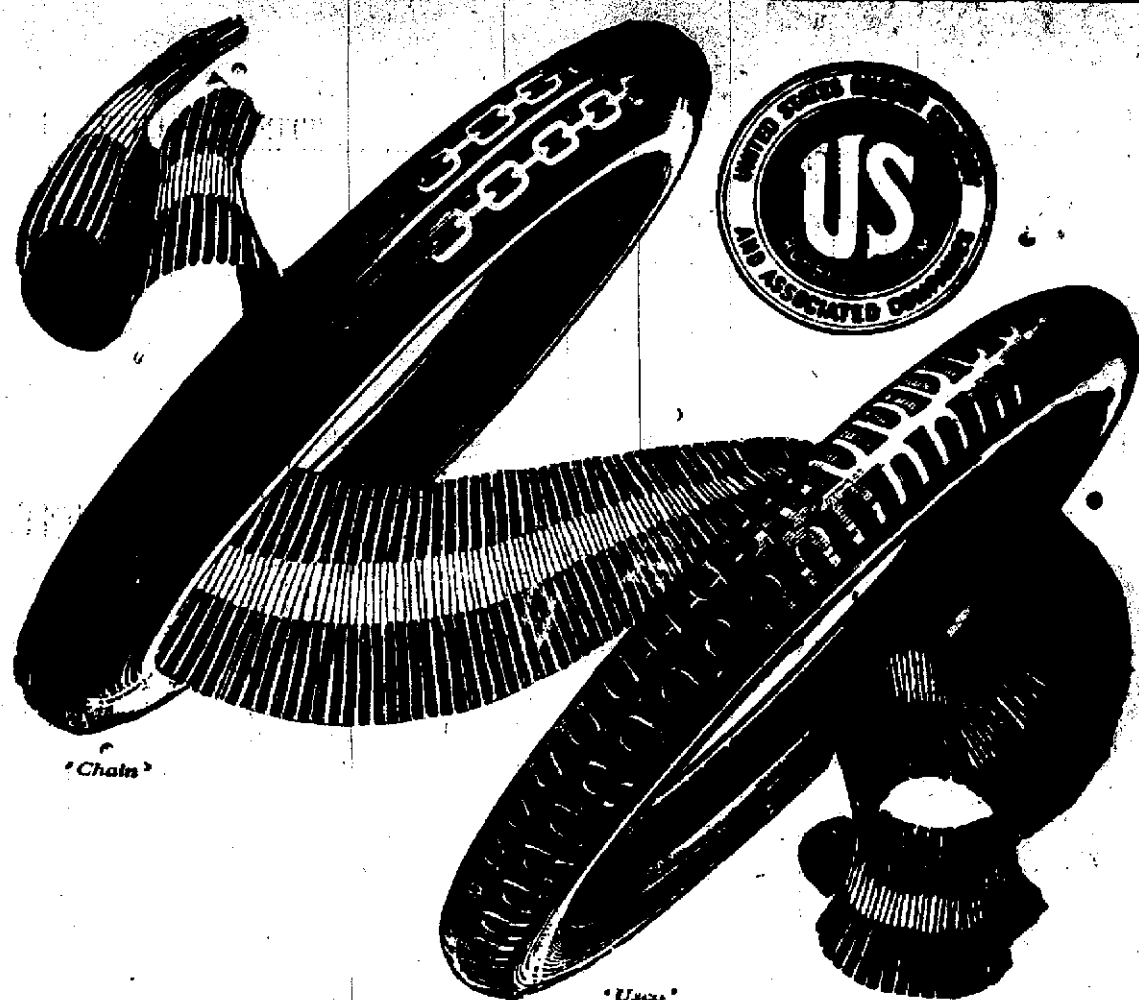

Hot Water the Best Liver and Bowel Medicine

Says Glass of Hot Water Before Breakfast Washes Poisons from System.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do. Men and women are urged to drink each morning before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the eliminative organs.

Those who wake up with bad breath coated tongue, nasty taste or have a dull, aching head, sallow complexion acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to demonstrate the value of inside bathing. Those who continue it each morning are assured of pronounced results, both in regard to health and appearance.

**You furnish the labor
We'll furnish the Rest**

You'll find it hard as nails to drive a better bargain. We've hammered down prices till not another cent can be pried from the tools, cement and and furnaces which we're now offering to those who contemplate building.

You'll do well to look these "imprishables" over for if you couldn't afford to build since "before the war" you will suddenly find that now you can.

W. F. POWELL

BOY SCOUTS

Conducted by National Council of the Boy Scouts of America

MESSAGE TO THE SCOUTS

Surely the world has been afire. The big principles at stake have brought out the very best thought and most effective efforts of those who have been fighting for the principles of democracy and humanity, says Chief Scout Executive James E. West.

Scouts certainly approached the Christmas season with joyous hearts. We must, however, bear in mind that the end is not yet. New responsibilities face the civilized world.

Our own country has been recognized as the leader in the development of a new understanding among men. It will take months, and indeed years, to work out the new order of things. The need of men of character to meet the responsibilities which we will have, both here and abroad, makes more important than ever before the scouting program.

Our motto is "Be Prepared." Your scout leaders will tell you much about this in the weeks and months to come. Let you and I, one and all, as members of the world brotherhood of scouts, make a part of our daily endeavors a rededication of ourselves to the principles for which scouting stands.

Let us make the scout oath and the scout law more vital in our daily lives and be prepared to do our share in meeting the responsibilities of today and tomorrow.

DELIVERED CHRISTMAS BASKETS

Scouts Found Plenty to Do During the Holiday Season.

GOOD SCOUTS MADE INDIANS.

At the official camp of the scouts in Delaware and Montgomery counties, Pennsylvania, the bunkhouse, holding eight boys, is planned similar to the wigan, or "big house," of the Unami Indians, who inhabited that section and which was used by the Indians for ceremonial purposes.

The openings at the top are smoke holes, the fires being built on stone altars, even with the floor. This makes a good council fire and does not throw out the heat like the fireplace.

At the close of the camp every year there is a ceremony held by Mah-pashana, a full-blooded Indian, at which the boys who win honors at camp are initiated as warriors into the Unami tribe by the old ceremony and with the Indian paraphernalia obtained from the tribe.

SCOUTS PROUD OF THEIR WORK.

The Boy Scouts of America have good reason to feel proud of the patriotic and helpful service they have rendered to the government in all of its wartime activities during the year.

Never before in the history of the scout movement have organized boys been able to demonstrate so thoroughly their helpfulness. The fourth Liberty loan has left behind it a broader and a more comprehensive vision of what scouting in its truest sense means to the growing boys of the community and to the nation at large.

Their efforts in gardening activities, as messengers of the president in the distribution of anti-German propaganda, as helpers to the Red Cross, as locators of black walnut, as gatherers of peach stones, as sellers of Thrift and War Savings stamps and Liberty bonds have demonstrated to the world at large the value of organized boyhood.

CREEL PRAISES BOY SCOUTS.

George Creel, chairman of the committee on public information, Washington, D. C., has written Chief Scout Executive James E. West as follows: "I have a very keen appreciation of the wonderful work that has been done by the Boy Scouts of America."

This means that the greatest country-wide distribution of printed matter ever undertaken involved the printing out of 15,000,000 copies of the president's flag day address and millions of other loyal pamphlets.

Earl Sunderland left today for Eastman Business College at Poughkeepsie, New York.

RAIL AND WIRE RATES UPHELD

U. S. Supreme Court Sweeps Aside Injunctions and Decrees of State Tribunals.

WASHINGTON, June 4.—Railroad freight and passenger rate increases made by the Railroad Administration last June and increased telephone and telegraph rates put into effect last January were upheld by the Supreme Court.

North Dakota Supreme Court decrees enjoining the Northern Pacific railroad and Director-General Hines from enforcing an order of the Railroad Administration increasing rates in that state were reversed.

The court also set aside lower court decrees which held that under section 15 of the Railroad Control act pre-existing intrastate rates remained in effect as lawful police regulations.

The court held that the authority conferred by the resolution and the act were war powers conferred on the President, and that the power of the Federal Government was "supreme and exclusive." The opinion on this point was unanimous.

The court held that under the joint resolution by which the wire systems were taken over by the Government there was authority for interfering with intrastate rates.

The court set aside South Dakota Supreme Court decrees enjoining the Dakota Central and three other telephone companies from increasing intrastate toll rates in compliance with the Postmaster-General's order.

Federal Court decrees permanently restraining the Postmaster General from charging increased telegraph rates in Illinois were dissolved by the court. Justice Brandeis gave the only dissenting opinion.

Massachusetts decrees dismissing the State public service injunction were affirmed and original proceedings brought by Kansas were dismissed.

AUTO LICENSE BILL PASSES

HARRISBURG, June 4.—The Ditch rich automobile measure, which creates standards of licensure, and which generally raises the license fees for both pleasure and commercial cars, was passed finally. The bill had been in the Governor's hands for some time but was recalled for purposes of amendment, the mistakes being typographical errors only.

SQUIRE WELTY INJURED

Squire S. B. Welty, of Rockton, is a patient in the DuBois hospital recuperating from injuries received by being struck on the neck by the end of a log while engaged on a small lumber job on Wednesday.

"Truthfully Pure"

MANY DOCTORS EXPECTED

ATLANTIC CITY, N. J. June 4.—Physicians from all North America, with many from European countries, are to invade this resort by the hundreds next week to attend the annual convention of the American Medical Association. Many eminent physicians will attend the sessions of the various sections of the association, participate in the discussions, and in consequence a week of notable scientific work is anticipated.

Special attention is to be paid by the convention to the problems in medicine and surgery developed by the war and to the notable achievements of the military "medics" during the long conflict. The sessions devoted to the discussion of these subjects will be participated in by distinguished visitors from Europe as well as the representatives of the United States Public Health Service and the medical corps of the United States army and navy.

PRINCE ALBERT

LAY your smoketaste flush up against a listening post—and you'll get the Prince Albert call, all right! NEWS OF OUR NEIGHBORS CURWENSVILLE

Dr. Schlappi, who has been confined to his home several weeks by an attack of lumbago, was able to go to his office yesterday for the first time.

Miss Mary Wright, a nurse in the Maple Avenue Hospital, DuBois, who has been home for several weeks nursing a sore hand, returned to her duties today. It was feared that the injury would terminate in blood poisoning, but by extra care and the right treatment that treacherous ailment was avoided.

Miss Irene Sharp, a nurse in one of the Philadelphia hospitals, who has been visiting with relatives in this town for several days, is expected to return to the city and her duties, the latter part of the week.

Arthur Temple, who has been in the marine service for several years past, serving a second enlistment, is home on a visit to his wife and other relatives. He has seen service overseas and lately returned to this country.

Mrs. Herbert Sharp is enjoying a summer visit with relatives and friends in Pittsburgh.

A game of baseball is scheduled to come off at Athletic Park this afternoon between the Curwensville club and one from Clearfield. The game promises to be an interesting one.

According to records there are several cases of measles among the kids over on Susquehanna avenue, South Side.

Nearly everybody who passed the residence of Dr. King yesterday stopped a few moments to watch the Doctor swing a scythe. Some of the old has-beens with that instrument expected every moment to see the Dr. cut both legs off, but after watching his movements several moments came to the conclusion that the Doctor was no novice with that instrument and had made the acquaintance of a scythe and the art of handling one years ago.

Parents should keep their boys from going to the dam to swim until they are old enough and proficient in the art of swimming to take care of themselves. Yesterday it came to our notice that a drowning accident was averted by the prompt action of some other and older boys. The young lad was entirely too small to be allowed to go to the river to swim. He got beyond his depth and went under two or three times when rescued. He was in the same hole in which young Griffith was drowned.

We had the good fortune the other day of meeting an old timer in the person of Mr. Darius Ritter, who is 90 years of age. He informed us that from 1840 until some time after the war he followed carpentering and built a number of the farm houses which are yet standing and almost as good as new. He also erected a number of barns which have stood the weather during all those years. Mr. Ritter has been a resident of this section all his life, with the exception of a few years spent in Michigan.

Mr. W. C. Wolf, of the firm of Wolf, Edmiston & Co., spent yesterday at Grampian, transacting business.

FIRE DEPARTMENT MEETING—Regular meeting Clearfield Fire department, Friday, June 6, at 8:00 p. m. in 3rd Ward Hall. All firemen please attend. A. P. SPANGLER, Secretary.

FORESTRY EXAM DATES

GIVEN OUT
Chances for Young Men to Learn Some Practical Conservation.

Examinations for entrance to the State Forest Academy at Mont Alto, will be held in Harrisburg Tuesday and Wednesday, June 24 and 25. All applicants will submit to a physical examination at the office of the Department of Forestry on the 24th. The examination in scholarship will be held in the city High school building on the 25th, and only those applicants will be admitted who have already passed the physical examination.

All applicants must be citizens of Pennsylvania, not over 26 years of age and not under 18. The examination in scholarship will include the ordinary high school branches, algebra, plane and solid geometry, arithmetic, English grammar and composition, physical geography, civil government, physiology, history, reading, writing and spelling. An average grade of 75 per cent must be attained to pass. No specimen examination papers will be supplied.

Fifteen students who pass the examination with the highest standing will be assigned to foresters on State forests for two months of practical work in the woods. At the end of this period an additional test will be given. The ten men passing the test most satisfactorily will be admitted to the Forest Academy on September first.

MARRIED BY JUSTICE CHORPEN-NING

Joseph P. Barney, of DuBois and Miss Mame Ellinger, of Brady, were united in marriage by Squire F. G. Chorpenning at his office in the Odd Fellows' Block last evening.

GOODBY, WOMEN'S TROUBLES

The tortures and discomforts of weak lungs and aching back, swollen feet and limbs, weakness, dizziness, nausea, as a rule have their origin in kidney trouble, not "female complaints." These general symptoms of kidney and bladder disease are well known—so is the remedy. Next time you feel a twinge of pain in the back or are troubled with headache, indigestion, insomnia, irritation in the bladder or pain in the loins and lower abdomen, you will find quick and sure relief in GOLD MEDAL HARMON Oil Capsules. This old and tried remedy for kidney trouble and allied derangements has stood the test for hundreds of years. It does the work. Pains and troubles vanish and new life and health will come as you continue their use. When completely restored to your usual vigor, continue taking a capsule or two each day. GOLD MEDAL HARMON Oil Capsules are imported from the laboratories at Harlem, Holland. Do not accept a substitute. In sealed boxes, three sizes.

If Kidneys Act Bad Take Salts

Says Backache is Sign You Have
Been Eating too Much Meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sours, tongue is coated, and when the weather is bad, you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good reliable physician at once or get from your pharmacist about four ounces of Jad Salts take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia water drink.

Mr and Mrs. James Sutton have returned from a visit to East Brady, Pa., Mr. Sutton's old home, where they spent Memorial Day among relatives and their host of friends. Mr. Sutton's brother, Robert, also a Civil War veteran, is quite seriously ill at his home there.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for
a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quart pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents, massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

The Unchange- able Christ

By REV. W. W. KETCHUM
Director of the Evening Classes,
Moody Bible Institute, Chicago

TEXT—Jesus Christ the same yesterday, and today, and forever.—Heb. 13:8.

In the midst of all the vicissitudes and changes of life how blessed it is to know there is One who never changes! Friends may fall us, loved ones may forsake us, health may leave us, money may take wings and fly away, times and circumstances may change, we, even ourselves, be altered, but the Lord Jesus Christ is the unchanging and unchangeable One.

Our text tells us that what Jesus Christ was yesterday, he is today, and what he is today he will be forever; and what he will be forever he always has been. Let us take these three expressions concerning our Lord, which divide time up into past, present and future, and permit them to direct our thought concerning ourselves and the Lord Jesus Christ.

First, there is the yesterday of our lives. That covers all the past up to the present moment. Looking back over it, it seems almost infinite in its reach, and yet we are told that the longest life is after all only as the span of a man's hand, as a vapor that passeth away, or as a tale that is told. But what a sweep the yesterday of our life seems to have, as we think of it. So much has happened, and so much in it has been imperfect and unsatisfactory, and let us speak it frankly, sinful. Now it is behind us, and, so far as we have any power over it, it is unalterable. We cannot change it if we would, neither can we undo it, nor wipe it out. What we have been and what we have done in the yesterday of our lives is unalterable, and we are absolutely helpless, of ourselves, concerning it.

It is right here that the Lord Jesus Christ is ready to come in, if we will only let him, and save us from the sins of our yesterday. What we cannot do he is able and willing to do for us. These three expressions of time concerning Jesus Christ are the three tenses of salvation which he provides those who trust him. He saves them from their past sins. No matter how vile or sinful a life may have been, he has made ample provision by his death on the cross for the yesterday of that life that accepts him as Saviour. "In whom we have redemption through his blood, the forgiveness of sins."

Second, there is the today of our lives. That is, the eternal now of life that we call the present. Life is not simply a past record that needs straightening out; it is a present thing that has to be lived, and every moment, as it comes, is the now of life. Even with the past cared for by Christ, we constantly face the present with its problems, difficulties and temptations. Having lived in the past, we know that unless there be given us some power in the present not found in ourselves we shall not be able to live so that when the present becomes the past it shall not be as the deplorable yesterday.

Thank God, the One who is willing and able to deliver us from the yesterday of our lives is just as willing and able to deliver us today. Now, this very moment, "He ever liveth to make intercession for us." The apostle puts it clearly when he says (Romans 5:10): "For if when we were enemies we were reconciled to God by the death of his Son, much more being reconciled we shall be saved by his life." What life? Not his past life of thirty-three years on earth, but by his present life, communicated to those who become united to him by faith, so that he hurls to them his own life, and thus saves them from their sins. This is the present tense of salvation which Christ provides those who trust him.

Third, there is the eternity of our lives. That is the period when time for us is no more. Life on earth has been finished, and we have entered upon the ages of the ages. What then? Who will be our Saviour? Is there one able to save us in the future? Yes, thank God, the very One who, if we have made him by faith our Saviour, has saved us from our yesterday, and is saving us today, will be our Saviour forever. This is the future tense of salvation, for Christ is the unchangeable One who "is able to save to the uttermost all who come unto God by him." This blessed fact is plainly stated by the apostle: "Much more then, being now justified by his blood, we shall be saved from wrath through him." We thank thee that thou art unchangeable, O Christ, the same yesterday, today and forever our Saviour.

Christian Promises.

When Jesus Christ says that he has overcome the world he means that his conquest is the pledge of ours. If he had failed, we could not have succeeded. It is because he has succeeded that we cannot fail. These are Christian promises; these are Christian delights; these are the joys of the sanctuary.—Joseph Parker.

A Very Special Sale of Voile Dresses, at \$9.75

We might as well call this an "Economy Sale" because the dresses represent the best styles of the season, and this applies also to the trimmings as well as the materials. The price represents one of the biggest values this store has offered for the past several months. The dresses are new and in demand for immediate wear.

Women's Summer Wash Dresses at \$6.50 to \$27.50

Every one of them fashioned in the modes approved by style authorities. A woman feels that she should have a few such frocks because she would not want to wear a heavy dress during these hot summery days when such desirable wash dresses can be had at such low costs. They take a tubbing splendidly. Made of various materials such as voile, ginghams, and various colors and designs. There is a style here to please every woman's preference.
